

Faculty of Economics and Management

.....
From its initial strengths in agribusiness, agricultural economics and natural resource economics, Faculty of Economics and Management has broadened its disciplines to include mainstream economics, finance, accounting and business management, in response to the industrial needs of the nation. The faculty consists of four departments: Department of Economics, Department of Hospitality and Recreation (formerly the Department of Natural Resource Economics), Department of Management and Marketing, and Department of Accounting and Finance.
.....

00000

Ahmad Zubaidi Baharumshah
